GOOD TO KNOW

Member discounts apply to the fee for service on the day of treatment and cannot be combined with insurance benefits or other promotions. Fees shown are representative -- actual fees may vary by clinical complexity.

How It Works

1. Enroll	Sign up in-office or online. No health questionnaire required.
2. Start Now	Benefits activate immediately -- no waiting periods.
3. Schedule	Book preventive care visits at any time during your plan year.
4. Save	Present your membership at checkout for instant savings on additional work.
5. Renew	Plans renew annually. We'll remind you 30 days before expiration.

Frequently Asked Questions

Can I use this plan with my insurance?

This plan is designed for patients without insurance or as a supplement when benefits are exhausted. Member discounts cannot be combined with insurance billing.

Is there a waiting period?

No. Benefits begin the day you enroll -- including preventive visits and discounts.

Does it cover pre-existing conditions?

Yes. Unlike traditional insurance, our plan has no exclusions for pre-existing conditions.

Can I add family members?

Yes. Couple and child rates are available. Additional dependents may be added at the child rate.

What if I need specialist care?

Discounts apply only to services at this practice. We will refer you and help coordinate care.
